The Private Eye by Brian K. Vaughan - Goodreads
Private Eye is a mixture of genres, first and foremost I'd label it a detective, pulp, a private eye working a case. But this is not your normal PI; it's set a couple of generations in the future making the secondary genre science fiction. I loved the book for both these elements. It was a good case as the reluctant PI is pulled into a murder case and stumbles upon a maniacal murderous ...
