The Boeing 737 Technical Guide The printed version is a softback, perfect bound, 8" x 10" book containing 374 full colour pages. The electronic version is available for most devices. Both versions have identical content, far surpassing that found on the website.

The Boeing 737 Technical Guide
The 737-800 featured in X-Plane-11 has been modeled by our design team with a degree of accuracy that ensures its flight characteristics are like the real aircraft. However, despite this, some differences will be apparent, because even the smallest factor plays into the ultimate behavior of the aircraft, both in real life, and in X-
