It's a good collection but really, if the title is "Anno Dracula 1899 and Other Stories", readers are justified in expecting at least one self-contained Anno Dracula story. What we get instead is the first chapter of an upcoming full-length AD tale - effectively, a teaser ad for the next novel in the series.

Anno Dracula 1899 and Other Stories: Newman, Kim ...

Anno Dracula is a 1992 novel by British writer Kim Newman, the first in the Anno Dracula series. It is an alternate history using 19th-century English historical settings and personalities, along with characters from popular fiction. The interplay between humans who have chosen to "turn" into vampires and those who are "warm" is the backdrop for the plot which tracks Jack the Ripper's politically charged destruction of vampire prostitutes. The reader is alternately and sympathetically introduced
