Becoming Raw is \*the\* textbook on raw veganism. But, don't let that scare you away! Although the book is solidly based on oodles of accurate and up-to-date scientific studies (some chapters have well over 100 references cited!), the authors present the information in a way that--like the raw food itself--is highly and easily digestible.

Although sleep had the strongest correlation to mental health, the investigators said exercising and eating more raw fruits and vegetables were also important. Depressive symptoms were lowest in young adults who slept 9.7 hours per night, and feelings of well-being were highest for those who slept 8 hours per night.

~~Study Finds Quality Sleep, Exercise, and Raw Fruits ...~~

Make wearing a mask a normal part of being around other people. The appropriate use, storage and cleaning or disposal are essential to make masks as effective as possible. Here are the basics of how to wear a mask: Clean your hands before you put your mask on, as well as before and after you take it off, and after you touch it at any time.

~~Advice for the public - WHO | World Health Organization~~

Though African Americans are being hospitalized for COVID-19 at more than triple the rate of white Americans, wariness of the new vaccine is higher in the Black population than in most communities.
