Dynasty Warriors 7 is based entirely around you slashing up no-name soldiers and beating down the higher-ups for loot and stat increases, just as it always was. There's actually some deep narrative involved in the game but, unless you're a history junkie actually interested in the actual history of what happened in ancient China, or a Warriors fan, there's no Mass Effect-esque storyline here for you.

I think Dynasty Warriors 7 is a pretty good game. The story mode is cool; it takes on even more of a historical perspective when you play as one of the kingdoms (Shu, Wu, Wei, and now Jin as well, the dynasty that ends up taking over) and watch as the geography of China changes, as to who is ruling each area.
