Just Eat Takeaway.com N.V., formerly Thuisbezorgd.nl, and Takeaway.com, is an Anglo-Dutch-American dot-com company specialising in online food ordering and home delivery. Takeaway.com is an intermediary online portal between the customer and the restaurants, where customers can order food online from restaurants' menus, and have it delivered by the restaurants directly to their home.

Just Eat Takeaway - Wikipedia

Eat Just, Inc. is a private company headquartered in San Francisco, California. It develops and markets plant-based alternatives to conventionally-produced egg products. Eat Just was founded in 2011 by Josh Tetrick and Josh Balk. It raised about \$120 million in early venture capital and became a unicorn in 2016 by surpassing a \$1 billion valuation. It has been involved in several highly-publicized disputes with traditional egg industry interests but has also partnered with them to produce and se

Just Eat It Follows a Vancouver couple as they decide to eat only rescued food for six months. What they find is shocking: truckloads of perfectly edible food destined for the landfill.

Just Eat It | Knowledge.ca

The difference with 'Just Eat It' is that instead of approaching things from a slightly happy clappy motivational speaker perspective, Laura Thomas writes in an academic style using robust research sources and biological and psychological science to empower women (and I guess all people) to accept their bodies for how they currently are and to feel normal around all food.
