The book attempts to reinforce school learning—the experiments tie in with areas of science that children will be encountering in the classroom for the first time. Children will love the book because it is hands-on and entertaining, and parents will love the book, too, because of its educational value.

First Book is a nonprofit social enterprise that provides new books, learning materials, and other essentials to children in need. Since our founding in 1992, First Book has distributed more than 175 million books and educational resources to programs and schools serving children from low-income families.

First Book

I got this book for my 7 year old nephew. He is in first grade and really likes the science class he has at school. I like that this book covers different types of science and can get other books about topics he is interested in. He will need help reading some of the words but I know he will like the simple experiments in the book.
