In starting the business, you must craft a business plan for your piggery. Your business plan must consist of the executive summary, business objective, market analysis, marketing plan, management, and operational plan, and financial plan. Creating a business plan is as simple as writing an idea on paper. It involves writing about the different components in a manner that should persuade a bank or individual to invest in the business venture.

WAYS OF FARMING PIGS. Usually pigs are farmed on a barn/hut (intensive) or on pasture (free-range). Barn/hut (intensive): to be able to farm pigs on an intensive way, the barn or hut should be made of a humidity and heat resistant material such as concrete, the feed area and the rest area should be separated for easy cleaning. A feeding area of at least 3 meters wide is perfect for every two pigs.
