'*The 7th Function of Language*' is an extremely funny murder mystery farce set in the pompous and obscure world of European theorists. It pulls off a number of very neat tricks. One is enabling the reader to feel clever for recognising various characters, while mocking the theorists sufficiently that the risk of pretentiousness is undercut.

The Seventh Function of Language by Laurent Binet

The 7th Function is a satiric romp through the upper echelons of Parisian intellectual life, indicting anyone – Sollers, for example – who takes the signified more seriously than the signifier.
